## Specifications

- Bluetooth® Spec.: v2.1 + EDR
- Weight: 48g
- Profiles Support: Headset & Handsfree
- Operating Range: 10 Meters
- Operation Voltage: 12V, 100mA
- Noise / Echo Reduction: CVC Noise & Echo Reduction
- Volume Control level: Wheel Control
- Operating Temperature: -10°C to 45°C
- Storage Temperature: -20°C to 60°C

## ▶ Disclaimer

- Distracted driving is dangerous. Always use the Bluetooth® Device in a manner that does not reduce your attention and ability to drive carefully and safely.
- Adhere to all applicable traffic laws and motor vehicle regulations applicable to the device.
- Consult local laws and regulations for any restrictions on installation or use.
- Do not install on or near an airbag. Such installation could interfere with airbag deployment or could cause the product or another object to become a projectile, which could result in serious personal injury to occupants.
- Ensure the product location will not obstruct your vision while driving.
- Observe all signs that require an electrical device or RF radio product to be switched off in the designated areas. These could include hospitals, blasting areas, and potentially explosive atmospheres.
- Turn off your device prior to boarding an aircraft. Do not use your device in an aircraft.
- Never allow children to play with the device. Small parts may be a choking hazard.

## Warranty / Liabilities

### **WINPLUS NORTH AMERICA**

#### **LIMITED WARRANTY**

Winplus North America warrants, to the original purchaser, that its products are free from defects in material and workmanship for 1 year from the date of original purchase. Where permitted by law, Winplus North America's liability shall be limited to that set forth in this limited express warranty. This limited express warranty shall be the exclusive remedy of the purchaser and Winplus North America makes no other warranty of any kind aside from the limited express warranty stated above.

**NOTE:** Warranty only applies for North American customers or purchases made in the North America.

#### **CONDITIONS OF WARRANTY**

If during the 1 year warranty period your new product is found to be defective, Winplus North America will repair such defect, or replace the product, without charge for parts or labor subject to the following conditions:

1. All repairs must be performed by Winplus North America.
2. All warranty claims must be accompanied by a copy of the sales receipt or bill of sale.
3. The equipment must not have been altered or damaged through negligence, accident, improper operation, or failure to follow the product instructions for installation, use, or care.

4. The replacement of parts is excluded from the warranty when replacement is necessary due to normal wear and tear.
5. Repair or replacement parts supplied by Winplus North America under this warranty are protected only for the unexpired portion of the original warranty.
6. This is a “repair or replace” warranty only, and does not cover the costs incurred for the installation, removal or reinstallation of the product, or damage to any mobile phone device or vehicle.

#### **OWNER'S RESPONSIBILITIES:**

Winplus North America will make every effort to provide warranty service within a reasonable period of time. SHOULD YOU HAVE ANY QUESTIONS ABOUT SERVICE RECEIVED OR IF YOU WOULD LIKE ASSISTANCE IN OBTAINING SERVICE, PLEASE CALL TOLL FREE 1.866.294.9244 DURING REGULAR BUSINESS HOURS MONDAY THROUGH FRIDAY 9:00 AM TO 5:00PM.

**NOTE:** Toll Free # is for North America Customers ONLY. See Customer service section for customer contact numbers for other regions/offices.

In order to provide you with the proper warranty service, we request that you adhere to the following procedure:

1. Include a copy of your sales receipt or bill of sale with your unit when it is returned for warranty service.
2. If it is necessary to return your product for service, please return it securely packed, preferably in the original shipping box, and freight and insurance prepaid to the following address:

**ATTN: CUSTOMER CARE PRODUCTS RETURNS**  
**820 South Wanamaker Ave.**  
**Ontario, CA 91761**

3. Please include a detailed explanation of the problem you are having.
4. If your product is found by Winplus North America to have a defect in material or workmanship, within the warranty period, it will be repaired or replaced at no charge and returned to you prepaid.

Winplus North America makes no other warranty of any kind aside from the limited express warranty stated herein.

DISCLAIMER OF WARRANTIES, INCLUDING WARRANTY OF MERCHANTABILITY AND WARRANTY OF FITNESS FOR PARTICULAR PURPOSE: EXCEPT AS SPECIFICALLY SET FORTH HEREIN, NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, IS MADE AS TO THE YD-V9 SPEAKERPHONE. EXCEPT AS EXPRESSLY SET FORTH HEREIN, WINPLUS NORTH AMERICA AND/OR ITS AFFILIATES EXPRESSLY DISCLAIMS, WITHOUT LIMITATION, ANY STATUTORY WARRANTIES AND ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Winplus North America and/or its affiliates are not responsible for a user's intended or actual use of the YD-V9 Speakerphone. In no event shall Winplus North America and/or its affiliates have any liability for any losses (whether direct or indirect, in contract, tort or otherwise) incurred in connection with the YD-V9 Speakerphone. Neither shall Winplus North America and/or its affiliates have any liability for any decision, action or inaction taken by any person in reliance on the YD-V9 Speakerphone, or for any delays, inaccuracies and/or errors in connection with the YD-V9 Speakerphone and its functioning.

Winplus North America and/or its affiliates shall have no responsibility or liability for damage and/or injury resulting from accidents while user is utilizing the YD-V9 Speakerphone; and Winplus North America and/or its affiliates, the manufacturer, distributor and seller shall not be liable for any injury, loss or damage, incidental or consequential, arising out of the use or intended use of the product.

## **WINPLUS EUROPE**

### **LIMITED WARRANTY**

Winplus warrants, to the original purchaser, that its products are free from defects in material and workmanship for 12 months from the date of original purchase. Where permitted by law, Winplus liability shall be limited to that set forth in this limited express warranty. This limited express warranty shall be the exclusive remedy of the purchaser and Winplus makes no other warranty of any kind aside from the limited express warranty stated above.

## **OWNER'S RESPONSIBILITIES:**

In order to provide you with the proper warranty service, we request that you adhere to the following procedure:

1. Include a copy of your sales receipt or bill of sale with your unit when it is returned for warranty service.
2. If it is necessary to return your product for service, please return it securely packed, preferably in the original shipping box, and freight and insurance prepaid to the following address:  
**ATTN: WINPLUS BLUETOOTH PRODUCTS RETURNS  
Unit 4, Two Counties Estate, Falconer Road,  
Haverhill, Suffolk CB9 7XZ, UK**
3. Please include a detailed explanation of the problem you are having.
4. If your product is found by Winplus to have a defect in material or workmanship, within the warranty period, it will be repaired or replaced at no charge and returned to you prepaid.

Winplus makes no other warranty of any kind aside from the limited express warranty stated herein.

## **WINPLUS AUSTRALIA / HONG KONG**

### **LIMITED WARRANTY**

This Yada product is warranted against faulty workmanship for a period of 2 years from date of purchase. Liability is limited to replacement of the product and claims for associated or consequential loss or damage will not be accepted. Warranty is void and does not apply if the product has been damaged or rendered faulty by accident, abuse, misuse, incorrect application or if the product has been modified or tampered with. Proof of purchase is required to validate warranty claims. If this product is faulty, simply return it to the place of purchase with your receipt for a replacement product. No refunds or credits will be issued. Replacement is limited to a Yada product of the same or similar model.

## ► Package Content

Speakerphone

## ► Installations

**⚠ IMPORTANT:** Before installing the YD-V9, make sure:

- Vehicle is parked in a safe area
- Car engine is OFF
- Emergency brake is set

1. Plug the YD-V9 directly to your vehicle's 12V power port.
2. Make sure the speakerphone is directed towards the user.

### **NOTE:**

- For better performance, make sure that the speakerphone is not obstructed
- Use the 12V power port near the user
- The device will connect to the last paired devices every time it is powered ON

## Operations

**⚠ IMPORTANT:** Directly plug the YD-V9 to your vehicle's 12V power port.

**NOTE:** The device is not equipped with a built-in battery therefore will not function if not plugged directly to a 12V Power Port.

### **A. Power ON/OFF**

To turn the YD-V9 ON:

- Verify that the device is plugged into a 12V power port
- Press and hold **red** button for about 3-5 seconds
- Release until the blue LED flashes

To turn the YD-V9 OFF:

- Press and hold **red** button for about 3-5 seconds
- Release until the LED flash red

**NOTE:** Always turn the speakerphone OFF before leaving the vehicle.

## B. Pairing/Linking

Pairing Bluetooth® enabled mobile phones with the YD-V9 Speakerphone authorizes hands-free communication. This step only needs to be performed once.

Before Pairing the YD-V9 Speakerphone:

- Ensure the YD-V9 is plugged directly to a 12V power port
- Ensure the YD-V9 is OFF
- Ensure the Bluetooth® on your mobile phone is activated

Follow the steps below to pair your YD-V9 with your mobile phone:

- Press and hold **red** button for 7-8 seconds
- Release the button until the LED indicator alternately blinks red and blue

**NOTE:** YD-V9 is now in pairing mode

- Activate the Bluetooth® settings of your mobile phone

**NOTE:** The following steps are general procedure; to access Bluetooth® Menu for you mobile phone, please refer to your phone user manual.

- Select SET-UP or CONNECT from your mobile phone menu
- Find and select OPTION to discover Bluetooth® devices; establishing a connection may take several minutes
- If found, phone display should indicate **YD-V9** device was detected or Select "**YD-V9**" from the list
- Phone should give you a prompt asking if you want to pair the device
- Select OK or ACCEPT and wait for prompt to enter passkey or PIN
- Enter the code **0000**
- Select "OK" to pair and connect the YD-V9 and the handset

**NOTE:** If the YD-V9 and mobile handset did not successfully pair, follow the steps below to retry pairing:

- Turn the YD-V9 OFF
- Turn OFF all other Bluetooth® devices before starting the pairing process
- Repeat the pairing instructions from the beginning

**NOTE:**

- After 2 minutes, the YD-V9 will exit pairing mode automatically if it can't connect with the mobile phone

## ▶ Button Functions And Operation

FUNCTION	THE STATUS OF THE CAR KIT	OPERATION
Answer Call	Ringing	Press <b>Green</b> button  once
Reject Call	Ringing	Press <b>Red</b> button  once
Cancel Calling	Calling	Press <b>Red</b> button  once
End Call	During a Call	Press <b>Red</b> button  once
Adjust Volume	During a Call	Adjust <b>Volume Wheel</b>
Transfer Call	During a Call	Press <b>Green</b> button  once to transfer the call to cell phone, Press  once again to transfer the call to the car kit <b>Remark:</b> Maybe some cell phones have to operate on the cell phone to transfer the call to the car kit
Microphone Mute	During a Call	Press and hold <b>Green</b> button  for about 2 seconds, and then release it until hearing indication tone. When the microphone is mute, the car kit sounds indication tone every 5 seconds
Cancel Mute	During a Call	Press and hold <b>Green</b> button  for about 2 seconds, and then release it until hearing indication tone
Redial Last Call	Standby Mode (Connected with Bluetooth® device)	Press and hold <b>Green</b> button  for about 2 seconds, then release
Voice Dial	Standby Mode (Connected with Bluetooth® device)	Press <b>Green</b> button  once

## Care And Maintenance

- Turn OFF the YD-V9 when not in use
- Do not let the YD-V9 be in contact with liquid as it is not waterproof. Avoid putting it in places where there is excessive moisture and humidity
- Do not expose the YD-V9 to direct sunlight nor place in areas with high temperature, as it may result in an explosion
- If the YD-V9 is not in use for a prolonged period, store in a cool, dry place, free from moisture, humidity and dust
- Do not use abrasive cleaning solvents to clean the YD-V9
- Do not expose the YD-V9 to contact with sharp objects as this will cause scratching and damage
- Do not stick anything inside the YD-V9 as this may damage internal components
- Do not attempt to disassemble the YD-V9, as it does not contain serviceable components
- Do not disassemble the device as it may expose you to dangerous voltages or other risks. Incorrect reassembly can cause electric shock when the YD-V9 is subsequently used
- Avoid charging the YD-V9 in extremely high or low temperatures

## ▶ Troubleshooting

If you are unable to hear the person on the other line clearly, do the following steps while conversation is in ongoing:

- Adjust the volume to maximum in your YD-V9 or
- Request the person on the other line to adjust his/her mobile phone volume to maximum

If there is a strong echo resounding from the person on the other line:

- Transfer the call to mobile phone
- If echo disappeared, transfer the call again from mobile phone to YD-V9 and lower the loudspeaker volume until echo is eliminated
- If the echo still remains, this means the echo is generated by the network service provider or mobile phone itself

If the speaker volume of the YD-V9 is too low or too high and seems impossible to adjust it:

- Adjust the volume directly on the phone
- Fine tune it using the volume control of the YD-V9

If you are unable to connect your speakerphone and mobile handset, please try the following:

- Ensure the YD-V9 is paired with your mobile handset
- Ensure your mobile handset's Bluetooth® feature is activated. Please refer to your mobile handset user guide for specific instructions
- Ensure the YD-V9 is within a maximum of 10 meters of your mobile handset(s) or Bluetooth® enabled device and there are no obstructions, such as wall or other electronic devices, in between as it may cause interference transmission

- If all the above steps do not resolve your problem, please unplug the speakerphone from the 12V power port and please follow the pairing process

The YD-V9 Speakerphone is compliant with and adopts the Bluetooth® Specification V2.1 + EDR. However, interoperability between the device and other Bluetooth®-enabled products is not guaranteed because it depends on compatibility. For more information on the compatibility between the device and other Bluetooth®-enabled products, please contact Customer Service.

**Federal Communication Commission Interference Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

**FCC Caution:** Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

**IMPORTANT NOTE****FCC Radiation Exposure Statement:**

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

**IC Statement**

Operation is subject to the following two conditions:

1. This device may not cause interference and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

This device has been designed to operate with an antenna having a maximum gain of 0 dBi. Antenna having a higher gain is strictly prohibited per regulations of Industry Canada. The required antenna impedance is 50 ohms.

**IMPORTANT NOTE:****IC Radiation Exposure Statements:**

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
